*Counseling Program for Freshmen Begins
This Summer Prior to Fall Registration;
College Confers 100 Degrees June 4*

CROSS-CUTTING THE CAMPUS

A NEW PROGRAM of counseling and orientation for freshmen prior to enrolling in September has been undertaken this summer by the College.

Students who plan to register at Juniata this fall were asked by Dean of Men Paul M. Heberling, chairman of freshman orientation, to come to the campus for one day of placement tests, diagnostic procedures and discussions with student personnel officers.

Participation in the "orientation day," Dean Heberling explained, will aid the College in "more effective counseling on academic program . . . reasonable class section placements . . . career planning . . . and fewer mistakes in room assignments."

In addition, the College will be able to plan "a far more adequate orientation program during Freshman Days in September" by having most testing completed during the summer, the Dean pointed out.

Approximately 40 attended each of the "orientation days" on campus June 24, June 28, July 8, July 17 and July 29. All sessions began at 9 a. m. with a welcome from one of the deans. Tests were given in reading, English, language and mathematics.

Personal conferences with students and parents were conducted throughout the day, but all activities ended by 5 p. m. Prior to the visit, parents filled out a guidance questionnaire to aid the college personnel staff. Students were guests of the college for luncheon and when necessary, for lodging and breakfast.

Justice Whittaker Speaks

THREE HONORARY doctorates and 100 bachelor's degrees were conferred at

Recipients of three honorary doctor of laws degrees gathered for the photographer following June Commencement. Left to right: Dean Morley Mays; who presented the candidates, Joseph V. Kline '13, Justice Charles E. Whittaker, President Ellis, and R. McAllister Lloyd.

the College's first Sunday Commencement in its 85-year history June 4 as the year closed with a strong plea from a Supreme Court justice "to revive our fighting faith."

The Honorable Charles E. Whittaker, associate justice of the Supreme Court of the United States, emphasized that "there is no acceptable substitute for the vigorous spirit of our founding fathers" to combat those who are threatening our freedom and way of life "both from without and from within."

Honorary doctor of laws were conferred on Justice Whittaker and two others who share ancestral backgrounds in the Juniata Valley: Joseph V. Kline '13, Scarsdale, N. Y., member of the New York law firm of Mudge, Stern, Baldwin and Todd, and vice-chairman of Juniata's board of trustees; R. McAllister Lloyd, New York, chairman of Teachers Insurance and Annuity Association (TIAA) and College Retirement Equities Fund (CREF).

Justice Whittaker urged the graduating seniors "to resolutely meet responsibility and challenge" and to abandon "the life of the lazy laggard."

President Ellis conferred 40 bachelor of arts and 60 bachelor of science degrees. There were 56 men and 44 women among the June graduates.

Honors to Eight

ACADEMIC HONORS were attained by eight among the June graduates. Topping the class and graduating magna cum laude were Doris K. Benna, Alum Bank; Martha S. Good, Hollidaysburg; Alan S. King, Rochester, N. H., and Nancy K. Werner, Lewistown.

Four were graduated cum laude: David M. Grove, Huntingdon; Ina Rae Kyler, Mapleton; John R. Rodland, Altoona, and David L. Weaver, Lititz.

Miss Good, King and Rodland shared the leading prizes for distinguished undergraduate work in their fields of concentration. Miss Good

110 Sing in Chorus

THE COMMENCEMENT chorus of 110 men and women singers presented two short choral masterworks for its annual performance Saturday night, June 3, in Oller Hall. The program preceded the traditional candle lighting and mantle ceremony for the seniors.

Under the direction of Prof. Donald S. Johnson, chairman of the department of music, the chorus sang Schubert's "Miriam's Song of Triumph" and Gabriel Faure's "Requiem." Singers from the two college choirs and others from the staff, faculty, alumni and Huntingdon area composed the chorus.

Alumni soloists were Joy Truxal Keener '54ex, Shippensburg, who was graduated from Pittsburgh Music Institute, and Clyde J. Johnson '52, Bellefonte.

Dr. Hershberger Elected

A MARTINSBURG, Pa. physician, Dr. J. Warren Hershberger, was elected chairman of the board of trustees of the College at the annual spring meeting May 27.

Dr. Hershberger, a member of the board since 1940, succeeds Chalender H. Leshner, Huntingdon, who served during the past year.

Elected vice chairman was Joseph V. Kline '13, Scarsdale, N. Y., a senior partner in the law firm of Mudge, Stern, Baldwin & Todd, New York City.

John W. Swigart '30, Huntingdon, was re-elected secretary of the board and John T. Fike '35, also of Huntingdon and a member of the college staff, was re-elected treasurer.

Dr. Hershberger attended the Juniata Academy 1910 to 1912 and was graduated from University of Pittsburgh in 1917. He received his doctor of medicine from Pitt in 1919. He has two sons, James K. and Rex W., who were graduated from Juniata College in 1950.

Children's Theater

STUDENT MEMBERS of the Masque at Juniata held a Summer Children's

Theater production as a benefit for the nursery at the J. C. Blair Memorial Hospital in Huntingdon. They presented Hansel and Gretel in Oller Hall at 2:30 p. m. Friday, July 7, and 10 a. m. Saturday, July 8.

This production was student-directed, managed and staged by experienced personnel of the dramatics organization. Sylvia A. Vanada, Mapleton, served as director and Joseph G. Longacre, Mount Union, as stage manager.

Lead roles were played by Robert L. Martin, York, as Hansel, and Judith A. Frye, Pottstown, as Gretel.

Distinguished Lecturers

A BRITISH SCIENTIST, an American chemistry teacher, and two prominent American analytical chemists accepted invitations to be visiting lecturers at Juniata College's Summer Institute in Chemical Equilibrium which opened July 10.

Peter Sykes, official fellow, lecturer and director of studies in chemistry, Christ's College, Cambridge, England, lectured at the Institute July 31 to August 2. Elbert C. Weaver, a chemistry teacher at Phillips Academy, Andover, Mass., was scheduled August 14-15.

Two outstanding analytical chemists attending are Dr. Charles N. Reilley, professor of chemistry, University of North Carolina, and Dr. David N. Hume, professor of chemistry, Massachusetts Institute of Technology. Dr. Reilley was scheduled August 16-17 and Dr. Hume August 18-19.

The eight-week Summer Institute has been conducted for 40 high school teachers of chemistry from throughout the country. It was sponsored by the College in cooperation with the National Science Foundation.

Grant for Nuclear Science

THE COLLEGE has received an additional grant of \$12,000 from the Atomic Energy Commission for use in its departments of chemistry and physics to obtain equipment for nuclear science.

The Commission awarded \$12,000 to Juniata last November for equipment "to introduce nuclear technology to students in the life sciences." These funds have been used by the departments of biology and chemistry.

AEC's latest grant will be used to acquire nuclear equipment which will provide "the most modern instruments" for laboratory work in at least two courses: Instrumental Chemistry and Atomic Physics.

Members of the faculty who will direct the use of the equipment are Dr. David M. Hercules '54, associate professor of chemistry, and Prof. Wilfred G. Norris '54, assistant professor of physics.

THE JUNIATA SPORTS PARADE

Harden Added to Phys Ed Staff

RALPH W. HARDEN, veteran coach and teacher at Hollidaysburg, Pa., high school, has been named head coach of basketball and assistant professor of physical education at the College.

Harden, 48, succeeds Dr. T. Arnold Greene, who resigned as a part-time

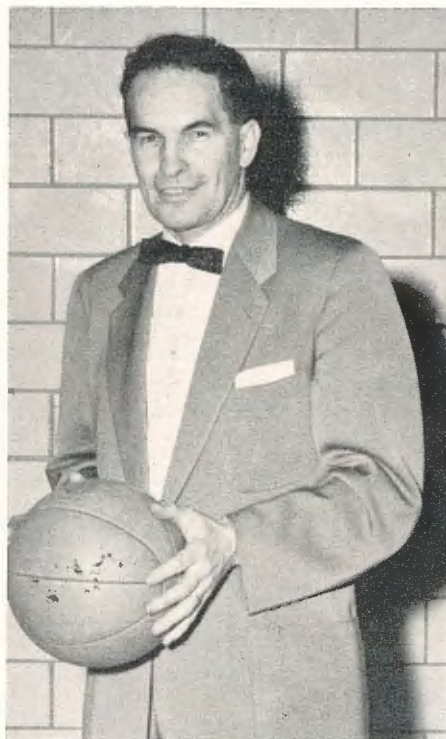

returned in 1946 and has compiled a 16-year record of 203 victories, 112 defeats. His Hollidaysburg teams have won four Mountain League titles (1952, 1953, 1957, 1959) and in 1952-53 had the only undefeated Class A record in the state.

Harden was head baseball coach from 1948 to 1953 and his Hollidaysburg teams won 55, lost 5 and captured the Blair County League title all six years.

At Muskingum, Harden was a three-year regular in basketball and baseball. He was named to the All-Ohio Conference basketball team two years. Prior to going to Hollidaysburg High, where he has been chairman of the social studies department and teacher of history, Harden was assistant football and basketball coach at St. Clairsville, Ohio, High School (1937 to 1941).

Harden obtained his B.A. from Muskingum in 1937 and earned a master's degree (history) in 1948 from University of Pittsburgh. He has taken graduate study at Ohio State University and has begun work on a doctorate in education at Pitt.

He is married to the former Jean Anderson (also an Aliquippa High and Muskingum College graduate) and they have five daughters.

Ralph W. Harden

member of the staff in April for "personal reasons" after serving 12 years.

An Aliquippa, Pa., High and Muskingum College graduate, Harden has been head basketball coach at Hollidaysburg since 1941. He took leave for four years service in the Navy but

GREY BERRIER, Harrisburg, husky freshman letterman in football and wrestling, picked up where his famed twin brothers left off by adding baseball to his first-year success story as he led the Indians in batting with a .405 average.

It's Berrier Again!

The 18-year-old catcher blasted 17 hits in 42 trips as the baseball team boasted the best record on Juniata's spring sports card with a 6-4 mark. Berrier helped to keep Coach Ken Bunn's Tribe in the running for the Middle Atlantic Conference northern division title before they dropped a one-run decision to Upsala.

Dick Geesaman, sophomore left-hander from North Wales, Pa., won three and lost two and posted a respectable 2.48 earned run average to hold a slight margin on the veteran righthander, Bill Miller, a senior from Carnegie.

A Coraopolis senior, Jack Vernocy, who won the alumni trophy as most outstanding for the third year, paced Juniata's golfers to a 5-5 record.

The tennis team finished with a 4-5 record as Stan Conner, Waynesboro junior, posted a 5-3 mark in singles and 6-2 in doubles.

Once again the trackmen had a tough struggle and won only one dual meet while losing three others and trailing in three triangular meets. Bob Berthold, distance runner from Totowa, N. J., was the leading point winner with 64.

Walasik Wins Mickle

THE STANFORD MICKLE athletic trophy — a memorial award for sports leadership at the College — was presented to Stan (Skip) Walasik at Commencement June 4.

A three-year letterman in football, Walasik also lettered in baseball and helped to organize wrestling as an intercollegiate sport at Juniata. He won the outstanding back award last season.

Walasik, 22, son of Mrs. Stanley Walasik, was graduated from Scott Township High. He received his B.S. after majoring in economics and business administration.

Walasik '61

Top Athletes Honored

JUNIATA'S BEST athletes in seven sports have been awarded alumni trophies for "excellence in performance, good sportsmanship and cooperation."

Topping the list of eight was Jack Vernocy, senior from Coraopolis, Pa., who won the C. Blair Miller golf trophy for the third successive year. Vernocy completed his intercollegiate golf career with a record of 26-5-2.

All others received the "most outstanding" award in their respective sports for the first time. The trophies (donors in parenthesis) and winners are:

Football back (Dr. J. Harold Engle) — Stan (Skip) Walasik '61, Carnegie, Pa.; Football line (George L. Weber) — Roy Martin '61, North Braddock, Pa.; Basketball (Jack E. Oller) — Pat Frazier '63, Hollidaysburg, Pa.; Track (J. Foster Gehrett) — Bob Berthold '63, Totowa, N. J.; Golf (C. Blair Miller) — Jack Vernocy '61, Coraopolis, Pa.; Baseball (Charles F. Goodale, Jr.) — Bill Miller '61, Carnegie, Pa.; Tennis (Calvert N. Ellis) — Stan Conner '62, Waynesboro, Pa.; Cross-country (C. Clifford Brown) — Don Layman '61, Somerset, Pa.

19 Senior Lettermen

NINETEEN SENIORS were among Juniata's 89 lettermen in eight varsity sports.

Heading the list was Dave Helsel, Hollidaysburg, only three-sport letterman in the graduating class. Helsel, a regular end on the football team, lettered in wrestling and track. Three other senior gridgers won their J's in baseball: Roy Martin, North Braddock; Bob Melago, Bovard; Jim Seacrist, Greensburg.

Football was hardest hit by graduation with 11 seniors among 26 letterwinners. Four seniors were on the baseball squad.

Senior lettermen by sport follow:

Football — Earl Bumbaugh, Waynesboro; Emery DiDonato, Baden; Paul (Pete) Emrick, Harrisburg; Orlando Falcione, Coraopolis; Dave Helsel, Hollidaysburg; Harry Long, Berwick; Roy Martin, North Braddock; Bob Melago, Bovard; John Pessy, Coraopolis; Jim Seacrist, Greensburg; Stan

Newly elected officers of the Juniata Parents Association. Top: Paul M. Ambrose, Hyattsville, Md., a physical scientist with the Bureau of Mines in Washington, became president at May Day. He's the father of David '62, newly elected Senate treasurer. Below left is S. Galen Warren, Orrstown, Pa., secretary, father of Galen B. "Sandy" Warren '62, vice-president of Senate, and right is Richard T. Williamson, Wyomissing, Pa., vice-president, father of Judy '63.

Walasik, Carnegie; **Cross-country** — Galen Heckman, Smithsburg, Md.; Don Layman, Somerset; **Basketball** — Jack Heading, Johnstown; **Wrestling** — Dave Helsel, Hollidaysburg; Ted Keiser, Lewistown; **Baseball** — Roy Martin, North Braddock; Bob Melago, Bovard; Bill Miller, Carnegie; Jim Seacrist, Greensburg; **Track** — Dave Helsel, Hollidaysburg; **Tennis** — Jack Merrill, Riverton, N. J.; **Golf** — Jack Vernocy, Coraopolis; Jim Williams, Glenwillard.

Among the underclassmen, Grey Berrier, freshman from Harrisburg and younger brother of the Berrier twins of Juniata sports fame, was the only other athlete to win letters in three sports: football, baseball and wrestling.

ROUNDUP ON ASSOCIATIONS

Report From the Alumni Secretary

GROUPS OF JUNIATIANS get together in many different places under a variety of circumstances. Organized associations of alumni are established in 23 centers in ten different states. More than 800 attended annual dinner meetings this year. The majority of these organizations requested representatives from the faculty and administration for their programs.

President Calvert N. Ellis spoke at York, Lewistown, Huntingdon, Moorestown, N. J., and Washington, D. C. Dean Morley Mays was in Northeast Ohio and Somerset. Fourteen others from the campus were included in this traveling dinner circuit. Harold Brumbaugh attended all but Baltimore, Southwest Pennsylvania, Somerset, Northeast Ohio, Florida, Chicago and Boston.

At *Baltimore*, a small but friendly group of 33 met at the North Baltimore YMCA April 29 for a buffet style dinner. They turned to their neighboring D. C. for a Juniata grad, A. Robert Smith '50, Washington correspondent for West Coast newspapers. A. William Engel was the campus representative.

Bedford alumni returned to the Penn Bedford Hotel to hear a native countian and the senior member of the Juniata faculty, Prof. J. Clyde Stayer, make some then-and-now comparisons.

Proof that alumni are interested in academic matters, particularly curriculum, was demonstrated in Altoona where *Blair County* alumni heard representatives from each of the three divisions on the Juniata faculty. This panel included Prof. Miriam Schlegel, Prof. George Clemens, and Prof. John Comerford, who discussed new ideas in college programming. Featured also was a women's trio from the campus including Elizabeth Lichliter '61, Jeanne Mock '62, and Kathleen Kimmel '62.

The turnover in Juniata's alumni population in the *Boston* area is high but this seems not to have an adverse effect on the attendance at the annual get-together in Boston. This year 40 attended a meeting at the Pillar House, Newton, Mass., to hear Prof. Kenneth Crosby.

Spirit of Reminiscing

The west coast alumni have met in the past when some special occasion prompts it. The annual conference of the Church of the Brethren held this year during the week of June 19 in Long Beach, Calif., provided the opportunity for Southern Californians to join with Juniata alumni from many states who attended the conference. Arrangements were made by Sue Jamison Kline '55. Of the 108 who attended approximately 40 were Californians. Kenneth Cohick '33 presided. Dean Morley Mays '32 spoke. Mr. and

Contributors of the millionth dollar to the Juniata Alumni Fund received acknowledgment from Alumni Secretary Harold B. Brumbaugh at the California dinner in June. They are Mrs. Ina Crosswhite Reber and Joshua D. Reber '15.

Mrs. J. D. Reber '15 LaVerne, were recognized as the donors of the one millionth dollar to the alumni fund. The locals met following the luncheon meeting to effect an organization for future annual meetings with Bud Lehner '48 elected president and Mrs. Kline secretary.

Prof. Donald M. Rockwell was the speaker at *Cambria County's* meeting held at the Moxham Church of the Brethren April 8, with 46 present. To stimulate a spirit of reminiscing at the tables, the officers had distributed appropriate posters featuring prominent persons and places from the campus. Mrs. Rockwell and student Jack DuBois '63, marimba player, also participated.

Six counties, Cumberland, Dauphin, Lancaster, Lebanon, Perry, York forming the *Central Pennsylvania* association, rotate their meetings in Harrisburg, Lancaster, and York. This year a well-planned and successful dinner party was held at the Avalong Restaurant in York with 111 present. President Ellis spoke on "Change is the Very Essence of the World in Which We Live," and declared that the College is changing with it. The entertainment featured students of Juniata alumni teaching in that area.

Chicagoland grads had an opportunity to express themselves on the subject, "Is the Liberal Arts College Out of Date," at the Gabriel Tea Room in Oak Park on April 8.

Sebring Is Popular

For a town with less than a dozen permanent residents, Sebring does very well every year as a center for the popular *Florida* Juniata mid-winter dinner meeting. This year 102, mostly winter tourists, were on hand to hear Dr. Claude R. Flory '29, University of Florida professor, speak on "The Everlasting Yea." Dr. Flory was accompanied by Mrs. M. G. Brumbaugh. Many old timers were introduced by the chairman Mrs. Bradford Shawn, and by Mr. and Mrs. Sam Hess, including Juniata's oldest alumnus, J. B. Boring '80, who observed his 101st birthday on May 5.

Green Gables Hotel, Lewistown, was the meeting place for the *Kishacoquillas* alumni association, May 5,

ALUMNI, PARENTS and friends of Juniata College combined their efforts during the past year to contribute a record sum of \$309,547 in behalf of the College's educational program.

Commending this "impressive accomplishment" at the close of the fiscal year June 30, 1961, President Calvert N. Ellis noted that the amount in gifts and bequests represented the largest in one year in the history of the College.

Gifts from alumni in 1960-61 continued to make up a significant part of the total. A sum of \$80,409 was contributed to the Juniata Alumni Fund by 1,408 under the combined direction of National Alumni Association President Paul M. Bechtel '32 and Alumni Secretary Harold B. Brumbaugh '33. The average contribution from these givers was \$58.06.

This total from alumni excluded the amount given by parents and asso-

ciates. They were equally generous in giving to Juniata with \$47,519 coming from associates and \$4,292 from the Parents Association.

Notable increases in industry and foundation giving occurred during the year. Gifts from Foundations totaled \$28,424 and from business and industry \$19,636. In addition, the College received \$50,654 in research grants, a good share of which came from the National Science Foundation.

A major share of the contributions from business and industry was acquired in the "quiet" campaign for pledges of \$200,000 from Huntingdon area friends in the long-range development program. This report includes only the "cash" contributions—not the pledges.

Interest in the proposed science building also prompted additional giving and overall pledges have soared to \$507,543 of which approximately \$72,000 was paid this year.

In the competition among classes in the Alumni Fund, the Class of 1921 carried off honors as the leader in average contribution and also in percentage participation for the classes from 1920 to 1961. This class averaged \$378.84 and boasted 54 percent participation. It ranked third in amount contributed with \$4,925.

Once again the classes of 1880 and 1888 showed 100 percent participation for the classes up to 1919.

Leading all classes in amount contributed was the Class of 1930 with \$7,712.80, although its average contribution was good for sixth place. The Class of 1923 took runner-up honors in amount contributed with \$5,462 and average contribution of \$364.19.

The "friendly feud" among classes for percentage participation continued to add interest to the Alumni Fund. The Class of 1947 spurted in the last week to finish ahead of the four class-

es from 1943 to 1946. This class had 51 percent to rank it second in the top ten, but it actually achieved 102 percent of its goal.

In the close competition among the '53 to '57 classes, the Class of '56 won the honor of having a room named for the class in Sherwood Hall, new residence for men. They finished with 44.1 percent, just a shade ahead of the Class of 1955 with 43.9.

The College also received \$19,460 through its Church of the Brethren contributors. The names of the contributors are included in the list which follows on these pages, but the total contributed is not figured into the class totals for the Alumni Fund.

Additional funds were made available to the College by bequests (\$25,000) and gift annuity agreements (\$33,000).

In this year's report there are 196 alumni, church, parents and associate donors who have given \$100 or more. (The 100 club members are identified with names in all caps.) In addition to these, there are 45 persons who have given \$1,000 or more. (The 1000 club members are identified with their names listed in bold face capital letters.) In some instances there are husband and wife combinations receiving 100 club or 1000 membership for contributions in these categories.

Support from the Foundation for Independent Colleges, Inc., of Pennsylvania, of which Juniata is a charter member, provided an amount in excess of \$12,000 during the fiscal year. An annual appeal to business and industry is presented by the presidents and representatives of the member colleges, and the gifts are distributed by formula to the participating colleges.

One other source of support comes from the "Gifts in Kind" program which has been continued during 1960-61 with gifts from the Mellon Institute and the Westinghouse Electric Corp., both of Pittsburgh. These organizations contributed valuable "used but useable" equipment for the science laboratories which has been valued in excess of \$2,000.

MILLIONTH DOLLAR GIVEN

THE JUNIATA ALUMNI FUND was boosted over the \$1,000,000 milestone by Joshua D. and Ina Crosswhite Reber, both members of the class of 1915, from LaVerne, Calif.

Announcement of their contest-winning contribution, which provided the necessary amount to pass the one millionth dollar mark in the fund established in 1939, was made by Alumni Secretary Harold B. Brumbaugh at the college's annual Alumni Day banquet June 3.

The check received from the Rebers was dated May 20, 1961, and written at 1:20 p. m. (Pacific Coast Time).

To recognize these donors, the College will name a room in the newly

erected residence hall for men in honor of Mr. and Mrs. Reber.

Mr. and Mrs. Reber live at 2754 Hillcrest Drive, LaVerne, Calif. Although retired as an accountant, Mr. Reber is treasurer of the Brethren Hillcrest Home in LaVerne. He was for 21 years an accountant with the Higbee Company, Cleveland, Ohio. Mrs. Reber was a teacher in Roaring Spring for three years after her graduation.

The Juniata Alumni Fund needed \$3,631 to reach one million dollars when the present contest got under way May 15. Scores of alumni contributed in the next 15 days in an attempt to reach the objective before Alumni Day.

EDITOR'S NOTE: The following list includes the names of all who contributed to the Alumni Fund during the college's fiscal year ending June 30, 1961. In a number of cases individuals received diplomas or degrees in various departments of the Brethren's Normal School and Juniata College. The name is listed in the year in which the most recent award was granted with preference given to bachelor degrees in most cases. Contributors whose names may have been inadvertently omitted should notify the alumni office at once.

DEAR ALUMNI, FRIENDS, AND PARENTS:

I want to express to each one of you the sincere appreciation of the National Alumni Association for your generous support of the 1961 Juniata Alumni Fund. It was especially gratifying to notice an increase in the numbers of contributors to the fund this year. I hope you will feel that this report is a satisfying evidence of your achievement.

We all realize, I am sure, that our support of Juniata must be continuous and that we must look to the future even while we are contemplating the accomplishment of the present. The cost of providing quality education continues to rise on every college campus. To keep pace with national trends among the better small colleges, Juniata must continue to seek and adequately reward superior teachers, must add to its instructional facilities, and must maintain a solvent position generally. The college needs, therefore, to preserve its old friends while searching constantly for new friends who will have a concern for Juniata education.

Recently a graduate of the college where I teach said he had estimated that the college had invested about \$3,000 in his education above what he paid in tuition. He said further he had resolved to return the investment over the years in his alumni giving. To me this was a sobering comment.

Many thanks for the help you gave this year and for the support I am sure you will want to give Juniata in the future.

Sincerely yours,

PAUL M. BECHTEL '32

'47 PASSES ITS GOAL

THE CLASS OF 1947 spurred in the final week of the Percentage Participation competition to finish out in front of four other classes 1943 to 1946.

Boosting its winning percentage to 102 percent of the goal, the '47 class—urged on by Fund Agent Chuck Bargerstock—just nipped the Class of 1944 which had 100 percent of its goal. Hank Eisenhart was the leader of the runner-up.

Contest rules called for a goal for each class which was established by adding 10 percent of the class roll and using as a base the number of contributors to the respective class funds in 1959-60.

The contest actually added 17 additional contributors to these five classes with the classes of '47, '44 and '45 showing increases. Other team leaders were Paul Frye '46, Robert Hoover '43 and Robert Kelso '45.

Results were as follows:

Class	Goal	Number of Contributors	Percentage of Goal
1947	44	45	102
1944	23	23	100
1945	18	16	89
1943	32	24	78
1946	24	14	58

'56 WINS A ROOM!

A ROOM IN SHERWOOD HALL will be named for the Class of '56 as the close winner in the contest of percentage participation in the Alumni Fund among the Classes of 1953-54-55-56-57.

The results were so close that the Alumni Office had to "double check" its figures before declaring Fund Agent Klare Sunderland and his class as the winner with 44.1 percent.

Right in cozy and close second was the Class of 1955 with 43.9 percent. Fund Agent George Pote was the team captain. Other team leaders were Ron Cherry '53, Dave Hercules '54 and Henry Gibbel '57.

Here are the final statistics:

Class	Class Roll	Number of Contributors	Percent of Participation	Amount Contributed	Average Contribution
1953	103	42*	40.7	\$200.50	\$10.50
1954	114	31	27.2	456.00	14.41

ROUNDUP ON ASSOCIATIONS

(Continued from Page 8)

where there was a mixture of present students, alumni and parents present to hear President Ellis. Entertainment was presented by Lois Dunlap '61 soprano, with Darrel Woormer '64, accompanist.

The "local" association, *Huntingdon County*, enjoyed a three-ring presentation by the chairman, witty Harry Wagner '07, President Ellis and speakers from the floor. Prof. William Merrel provided the musical entertainment.

Dean Morley Mays spoke at the *Northeastern Ohio* meeting April 29. This well-established association draws Juniataans from the Cleveland, Akron and Youngstown areas. Among the 35 present were alumni from the Sharon area. Bob Pierson '61, concert maestro of the orchestra, and Lynn Streightiff '63, accompanist, performed.

Panel on Juniata's Place

A panel discussion directed by Dr. Alan Wright with campus representatives Prof. Paul R. Yoder and Harold Brumbaugh and law student Charles Brown '59, discussed Juniata's place in higher education at the *North Jer-*

sey-New York dinner meeting held at the Robin Hood Inn, Clifton, N. J., April 25. Forty people attended. A set of bylaws and constitution was presented and adopted. Recognition trophies were presented.

The Casi Conti Restaurant in Glenside was the gathering spot for 71 Juniataans from the Philadelphia area on March 25. A former religious studies professor, G. Wayne Glick, now dean of Franklin and Marshall, was the speaker. Gerald Hartzel '51, Lansdale, sang. In a business meeting there was discussion on downtown vs suburban location for future meeting.

The only fall alumni meeting held this year was in *Somerset County* November 17 at the Church of the Brethren in Meyersdale. There were 40 in attendance. Dean Morley Mays was the speaker. Other representatives from the campus included Charles Bargerstock, director of development, and students Elizabeth Lichliter '61 and Kathleen Kimmel '62.

South Jersey Has 83

Commendations go to the *South Jersey* alumni association, when in its sixth year, the attendance went to 83 for this year's meeting at the Manor House in Moorestown. Many parents of present students were welcomed. A

guest alumnus, Dr. Alden Coder, from Montclair, N. J., directed a lively community singing session. President Ellis was the speaker and Jack DuBois '63 presented a marimba solo.

A covered dish picnic at a new church in Salem, Ohio, provided an opportunity for the *Southwestern Ohio* alumni to feature a family gathering on Wednesday, May 10.

The attractive College Club in Oakland, Pittsburgh, was the meeting place for *Allegheny County* alumni April 7. A vice president of U. S. Steel Corporation, Harry Stuhldreher, was the principal speaker. Ernest M. Post, instructor in sociology and assistant football coach, spoke on the new program of studies and reported on the current physical education activities for the season.

Historical Collection

"The Cassel Collection" in the Juniata College Library was the subject of Prof. Donald Durnbaugh's talk at the *Southwestern Pennsylvania* meeting at George Krick's Country Catering April 21 in Irwin. C. H. Rosenberger, director of church relations, presented colored slides of the campus. Twenty-seven persons were present.

(Continued on Next Page)

Juniatians from far distant areas in Up-State New York-Buffalo to Schenectady to Watkins Glen—met at the Skaneateles Country Club May 6, to visit with the Jack Ollers and enjoy an illustrated European travelogue. Although these alumni represent a wide distribution of classes and come from widely scattered areas, the year's president, Mrs. Doris Noffsinger Snow '37, was able to introduce every one of them.

Fifty-three Juniatians were present at the Community Church in northwest Washington, D. C. to hear President Ellis March 11. An added feature of the evening was the presentation of a play, an All-Class Night kind of skit, by a half dozen members of the classes of '49 and '50. This association voted to have a summer picnic in the early part of September.

The 40th meeting of the *Waynesboro-Hagerstown* association was held April 28, at the Hagerstown Church of the Brethren with 66 present. Prof. T. F. Henry of the campus was the speaker.

Fouse Heads Alumni

PAUL D. FOUSE '31, Pittsburgh, became national president of Juniata College's Alumni Association at the 65th annual Alumni Day banquet June 3.

Fouse, divisional sales manager for Investors Diversified Services, Inc., succeeds Dr. Paul M. Bechtel '32, an English professor at Wheaton College.

Fouse '31

Other alumni officers elected were: George Regis Walter '40, mayor of Johnstown, Pa., first vice-president; Mrs. Garwood (Lorma Ruble) Holsinger '41, Lewistown, Pa. housewife, second vice-president; and Dr. William C. Hunt '44, Pittsburgh, head of scientific relations for Mellon Institute, member of the executive committee.

PERSONALS

News notes for this section may be sent to your Class Representative or to the Alumni Office. Deadline for receiving Personals for the Fall issue is Oct. 1, 1961. Information for this issue was prepared by Mrs. Robert S. McClain, editorial assistant, aided by class representatives.

On Reading and Writing Personals

THE EDITORS of your Alumni Bulletin continue to believe that a greater percentage of Juniata alumni read the personals more than any other section of the magazine.

Because of this, we are interested in obtaining from *you* all the news items we can get about your classmates. Your Class Representative can help in making this effort successful. Hence, we are encouraging all Juniatians to send "personals" to their respective Class Representative (name is listed with class if person has consented to serve). Some of the 'CRs' may prefer to prepare their own class notes to pass along to us.

For general information, we are printing the following "Tips on Personals." And please note the deadlines, too!

Tips on Personals

The personal or personal item is a brief bit of more or less intimate news about anyone. Primarily, it deals with what persons do rather than with what they think or feel. Commonest subjects are travels, new acquisitions, minor honors, and small incidents.

Births, weddings, anniversaries, and deaths are considered important personals for an alumni publication. (*Please date all news clippings.*)

Change of address and/or job also are of interest.

And don't forget that classmates are interested in children and grandchildren, too!

How to Write It

The well-composed personal answers the five W's of good journalism. WHO — WHAT — WHERE — WHEN — WHY. In reality, it is simply a news story summary-type lead.

Some personals may be elaborated into much larger stories; few, on the other hand, are worth such elaboration. You can help decide.

Always give initials or first name of any person mentioned. And give maiden name as well as married name for the women. Indicate class if you know it.

Write legibly; use a typewriter whenever possible.

Double space your copy on one side of paper, preferably.

It's as simple as ABC. Be ACCURATE. Be BRIEF. Be CLEAR.

CAROL ELLEN SNYDER
2945 Kutztown Road
Reading, Pa.

John Francis Henry and Marjorie Marie Staylor, were married June 7 at seven-thirty o'clock in the Stone Church of the Brethren, Huntingdon. Dr. Henry, the bridegroom's father, and the Rev. Stewart Kauffman, pastor of the couple, officiated. Miss Lee Chronister '62 presided at the organ. Mr. and Mrs. John ('62) Mullen (Delores Briggs '60) were vocalists. Ushers for the couple were Jay Derk '62, William Rumberger '62, Richard Hollinger '62 and Joe Mountain '64.

Jack Rodland is enjoying a full-scholarship at Tanglewood in the Berkshires, Lennox, Mass. Jack's exceptional abilities were apparent to Hugh Ross from Tanglewood during his visit to Altoona for the Sacred Music Clinic. Mr. Ross offered him a scholarship for seven weeks. Jack also will study under Charles Munsh of the Boston Symphony; Pierre Monteux, dean of the great ones and conductor emeritus of the San Francisco Symphony, and many other orchestras here and abroad; and Leonard Bernstein, wonder boy of the New York Philharmonic and television.
